March 2024

#### **Presentation 2024-25**

- Official Control hourly rates
- How the rates are calculated
- Increases for 2024-25
- Review

#### **Purpose of the Presentation**

- The presentation is of the cost data for meat industry hourly charge rates for 2024-25.
- The presentation covers Scotland only.
- To clarify and provide transparency on:
  - direct and indirect essential support costs of Meat Official Controls.
  - process to calculate hourly rates.
  - FSS application of retained EU law and SSI relating to charging for Scotland.
- All figures displayed in these slides are budget costs, along with estimated hours on previous years requirements with any major changes for 2024-25

#### **The Annual Process**

- November: The FSS actuals/forecast for direct and indirect costs, throughput and hours for current financial year are calculated
- December: Internal meetings to discuss findings and to sense check figures
- January/February: The FSS budget for direct and indirect costs are inserted into the model to reflect a more accurate calculation for 2024-25
- February/March: The calculations for the hourly rate is verified by internal colleagues
- February/March: The discount amount is determined.
- March: Rates and discount are agreed with Senior Leadership Team (SLT)
- March: FSS Finance and Business Committee informed of the rates, along with Ministers being informed of the rates and give agreement to the discount amount
- March: Meeting with industry to share rates and cost data analysis
- 7<sup>th</sup> March 2024: Meeting with SAMW.
- W/C 4 March 2024 submission to Scottish Minsters.
- 1<sup>st</sup> April 2024: New charge rates and discount implemented for FSS customers

#### **Background to Calculation**

 The meat industry is charged under Article 81 of Regulation (EU) No. 2017/625 which now forms parts of retained EU law.

This comprises:

(a) the salaries of the staff, including support and administrative staff, involved in the performance of official controls, their social security, pension and insurance costs;

(b) the cost of facilities and equipment, including maintenance and insurance costs and other associated costs;

(c) the cost of consumables and tools;

(d) the cost of services charged to the competent authorities by delegated bodies for official controls delegated to these delegated bodies;

(e) the cost of training of the staff referred to in point (a), with the exclusion of the training necessary to obtain the qualification necessary to be employed by the competent authorities;

(f) the cost of travel of the staff referred to in point (a), and associated subsistence costs;

(g) the cost of sampling and of laboratory analysis, testing and diagnosis charged by official laboratories for those tasks

#### What information is used?

- All cost figures used are from the 2024-25 forecasted budget
- Hours figures are the plussed up hours\* from 2<sup>nd</sup> January 2023 to 30<sup>th</sup> December 2023 with consideration being taken for any material changes in the forecasted hours

\*Plussed up hours - 1 hour equals:

| Hours          | Rate |
|----------------|------|
| Single         | 1    |
| Overtime       | 1    |
| Double time    | 2    |
| Public Holiday | 3    |

#### **Rationale for Increases in 2024/25**

- Increase in forecast for agency costs as backfill for OV and MHI vacancies.
- Agreed pay award of a 3% increase for 2024-25 charge rate, on top of the 7% salary increases for 2023/24.
- Salary progression of direct and indirect staff in 2024/25.
- Overall inflation and cost increases.
- Proposed increase in OV pay supplement c £30K, to accommodate increase from £4K to £5K from September 2024.
- Increase in flat rate overtime to accommodate the introduction of the Scottish Government, 35 hour working week from 1 October 2024. estimated c. £170K.
- Variations to hours in model i.e. decreases in MHI hours.

#### Hours

|     | 2022-23 | 2023-24 | Variance | %      |
|-----|---------|---------|----------|--------|
| MHI | 106,977 | 102,765 | -4,212   | -3.94% |
| OV  | 50,843  | 51,320  | 477      | 0.94%  |

- The decrease in the MHI hours (4,212) due to reduced requirement from establishments
- There has been a slight increase in OV hours (477)

| OV  | 53.90   | 56.00   | 2.10     | 3.90% |

Note: FSA use a different charging, delivery and costing model to FSS.

#### **Direct Costs and Breakdown**

| 2023-24   | 2024-25   | Variance | %   |
|-----------|-----------|----------|-----|
| 5,528,373 | 6,368,140 | 839,767  | 15% |

- Direct costs increases Key highlights :
  - During 2023-24 salaries increased by 7% on pay range values, the cost of which was absorbed by FSS.
  - We have included the agreed pay award of a 3% increase in the 2024-25 charge rate, on top of the 7% salary increases for 2023/24.
  - Total increase in employed staff equates to £424K, (includes increase in flat rate overtime costs for Scottish Government 35 hr working week from 1 October 2024).
  - Increase in Agency and Locum staff backfill equates to £407K, however Locum costs have reduced by £30K.
  - Other costs incurred to support direct delivery of Official Controls have increased also.

#### **Indirect Costs**

| 2023-24 | 2024-25   | Variance | %   |
|---------|-----------|----------|-----|
| 907,974 | 1,063,758 | 155,784  | 17% |

- 2024-25 overheads includes a review of the indirect FTE, resulting in an increase in the staffing costs of 1.74 FTE = £188K.
  - FOC = + 1.8 FTE, however this is partially off-set by removal of this role from direct costs for 2024/25.
  - > Finance = -0.06 FTE.
  - All costs associated with FSS HQ have been removed from the model due to the reduced occupancy levels staff that is predicted for 2024/25 = £42K.
  - No costs have been included for legal support.
  - Other costs incurred to support indirect delivery of Official Controls have increased also.
